

A Brief History Of Our Academy

Sparkzinfotech was founded in 2015 to provide education for physician-based medical coders and to elevate the standards of medical coding by converting diagnoses, treatments, services, and equipment used in healthcare into standard medical alphanumeric codes.

- We never compromise to anything less than Excellence.
- Good Moral Values, righteousness and teamwork are the rungs of our Success Ladder.
- Innovative and out-of-the-box thinking lay the base for our excellent training programs.
